EDUCATION

+2

Takshashila Academy / kathmandu

I pursued a course of study in the science stream with a primary focus on physics.

SKILLS

- HTML - Skillful
- CSS - Skillful
- Javascript - Skillful
- React - Beginner
- Tailwind Css - Beginner
- PHP (Used in previous projects, no longer actively using) - Beginner

ACHIEVEMENTS

- Continuously improving skills in React, Tailwind CSS, and JavaScript through online courses and personal projects.

EXPERIENCE

Video Editing Intern

Seekshya Academy / Sinamangal, kathmandu

- Edited educational online course videos using Filmora for clarity and engagement.
- Worked with the team to meet educational standards and deadlines.

PROJECTS

Hostel Management System

- Designed a visually appearing interface both for Users and Admin.
- Implemented key features including user login sessions, hostel information pages (photos, amenities, location, etc.), and contact functionalities.
- Built functionality for users to view, rent, and contact hostels; allowed admins to add, manage hostels, and perform user management tasks.
